Dear Ms. Dortch:

On July 26, 2018, I met with Jay Schwarz, Wireline Advisor for Chairman Pai, to discuss the Commission's draft *Third Report and Order* in the proceeding referenced above.<sup>1</sup> I expressed CCIA's support for the draft *R&O*, the "one-touch make-ready" (OTMR) policy it seeks to implement, and the Commission's efforts to institute reforms and to promote the deployment of next generation 5G networks. I discussed arguments raised previously in CCIA's Comments and *ex parte* in this proceeding and did not present new arguments.<sup>2</sup>

This letter is provided to your office in accordance with Section 1.1206 of the Commission's rules.

Respectfully submitted,

/s/ John A. Howes, Jr.
